ELEMIS PRO-COLLAGEN MARINE CREAM
Marine extract padina pavonica transforms the complexion in just over 2 weeks. Trials proved that the appearance in wrinkle depth was reduced by up to 78%*

Keeping up the heat

Created to provide state-of-the-art appliances to spas and salons, SPAPLIANCE has launched The Orb. This portable, continuous heat chamber for warming skincare products, has been designed to reach a perfect delivery temperature in under 15 minutes. It will retain this for up to an hour, with an indicator light showing the need for reheating. The Orb is comes in soft white or chocolate brown.
